MINIMA 42

Designed by Bruno Fattorini

Minima 42 by Metrica - design Bruno Fattorini.

The considerable span of the shelf in extruded aluminium combined with the joining system, have allowed to develop the system in length, making it modern and adjustable to any kind of environment. Modular and flexible even thanks to the new kinds of storage units. This can be with flap opening doors or drawers. They are simply resting inside the structure and are repositionable quite easily, thus allowing to meet any storage requirements as desired. Uprights and shelves made of matt lacquered white and graphite grey extruded aluminium (100% recyclable). Nominal lengths of cabinets: 30, 60, 90 cm, height 42 cm and depth 33 cm, available in a matt lacquered micro-goffered finish. Minima 42 is available in a ground-resting variant (in 5 heights), always with a 33 cm depth. Units with flap opening door and two-drawer are available with lock.

STRUCTURE

Uprights and shelves made of extruded aluminium and assembled together by using a concealed joining system, capable of giving the structure stability and a special resistance to loads. Minima 42 is entirely made of 100% recyclable aluminium.

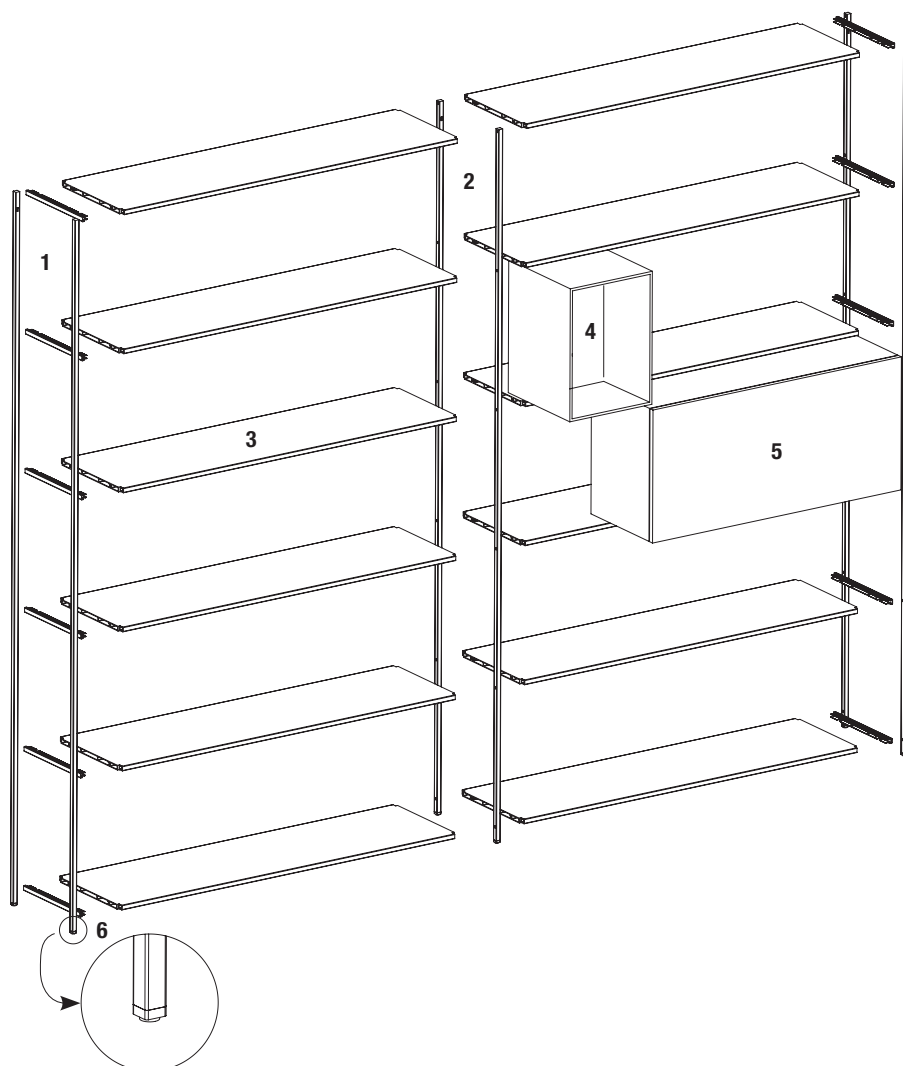

To use this system (H137 - H181 - H225) as a room divider for work environments, it is mandatory to join two structures together so as to obtain a ground depth of 66 cm to ensure a proper stability to the system.

We always recommend wall mounting of Minima in heights 225/181cm and for compositions with heights 49.5 / 93 / 137 if equipped with drawer containers.

Please note: for center-stand compositions, with heights of 49,5 / 93 / 137 cm, equipped with drawer containers, simultaneous opening of all drawers is not recommended, as it could cause the overturn of the structure.

CABINETS

Elements made of MD-wood fibreboards, available in matt lacquered micro-goffered finish in the following colour options: white, orange, avio blue, mustard yellow, green and dark red.

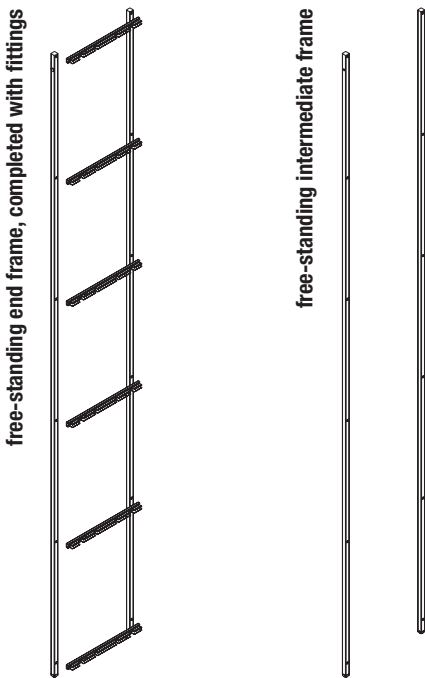

**MINIMA 42
FREE-STANDING**

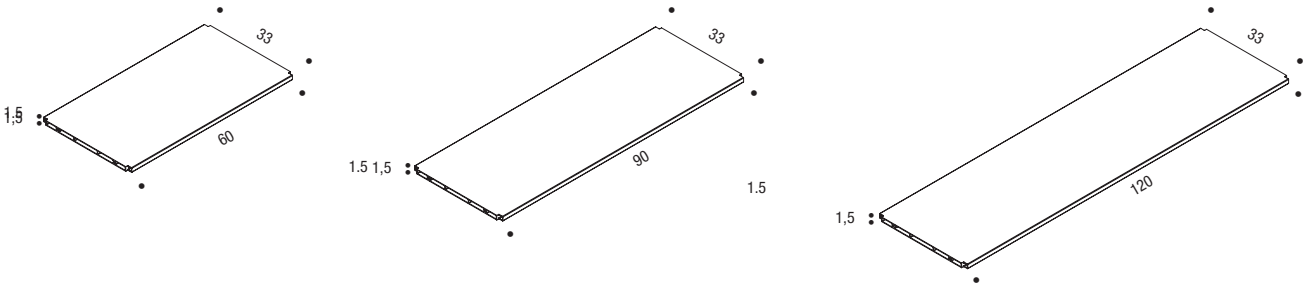

- 1** free-standing end frame, completed with fittings
- 2** free-standing intermediate frame
- 3** shelf
- 4** open cabinet, L30
- 5** cabinet
- 6** adjustable feet
