

Cosy Oblique

Designer	Francesco Rota
Year	2022-2026

Part of the Cosy upholstered collection by Francesco Rota, Cosy Oblique includes symmetrical and asymmetrical corner modules with matching backrests, designed to create linear or corner configurations and adapt with versatility to residential and contract settings. Fully upholstered and removable, they can be combined with the modules of the Island variant, while coffee tables, accessories and additional cushions complete the system, enhancing its functionality, comfort and formal balance. From domestic interiors to hospitality environments, Cosy Oblique introduces a welcoming character while offering maximum design freedom.

Frame

Bearing frame made of solid and multilayer wood, base with elastic belts, feet and concealed hook system. Padding in variable-density foam polyurethane padding and polyester wadding cover.

Light armrest

Fully upholstered, removable cover. Consisting of a plywood poplar wood panel, padded with single-density polyurethane foam, covered with polyester wadding. Frame in epoxy powder-coated metal.

Cover

Fabric or leather, removable cover.

Coffee Tables

Top made of 15 mm thick medium-density wood fibreboard. Frame in epoxy powder-coated metal.
