

Neil Twist armchair

Designer	Jean Marie Massaud
Year	2019-2026

Versatile and refined, yet an icon of simplicity, perfectly aligned with MDF Italia's aesthetic. The Neil Twist armchair stands out for its handwoven rope weave, available in four matt colours and finished with contrasting stitching that highlights its elegance. The steel wire structure with sled base is available in white or lead black and can be specified with or without armrests to suit different comfort and space requirements. Designed by Jean Marie Massaud, this seat is suitable for both indoor and outdoor settings, adding character to private gardens, public spaces, and hotels.

Shell

Load-bearing seating structure made of steel, woven with high-tenacity polyester cord, solution-dyed, guaranteeing high resistance to atmospheric agents, light, and abrasions, with stretch resistance.

Frame

Load-bearing frame in matt epoxy powder-coated steel rod, with a specific treatment for outdoor use.
