ATTENZIONE: Non rimuovere i tubi di protezione fino al completamento del punto 12.
WARNING: Do not remove the protective tubes until step 12 has been completed.
ATTENTION : Ne retirez pas les tubes de protection avant d'avoir terminé l'étape 12.
ACHTUNG: Entfernen Sie die Schutzschläuche erst nach Abschluss von Schritt 12.
ATENCIÓN: No retires los tubos protectores hasta haber completado el paso 12.

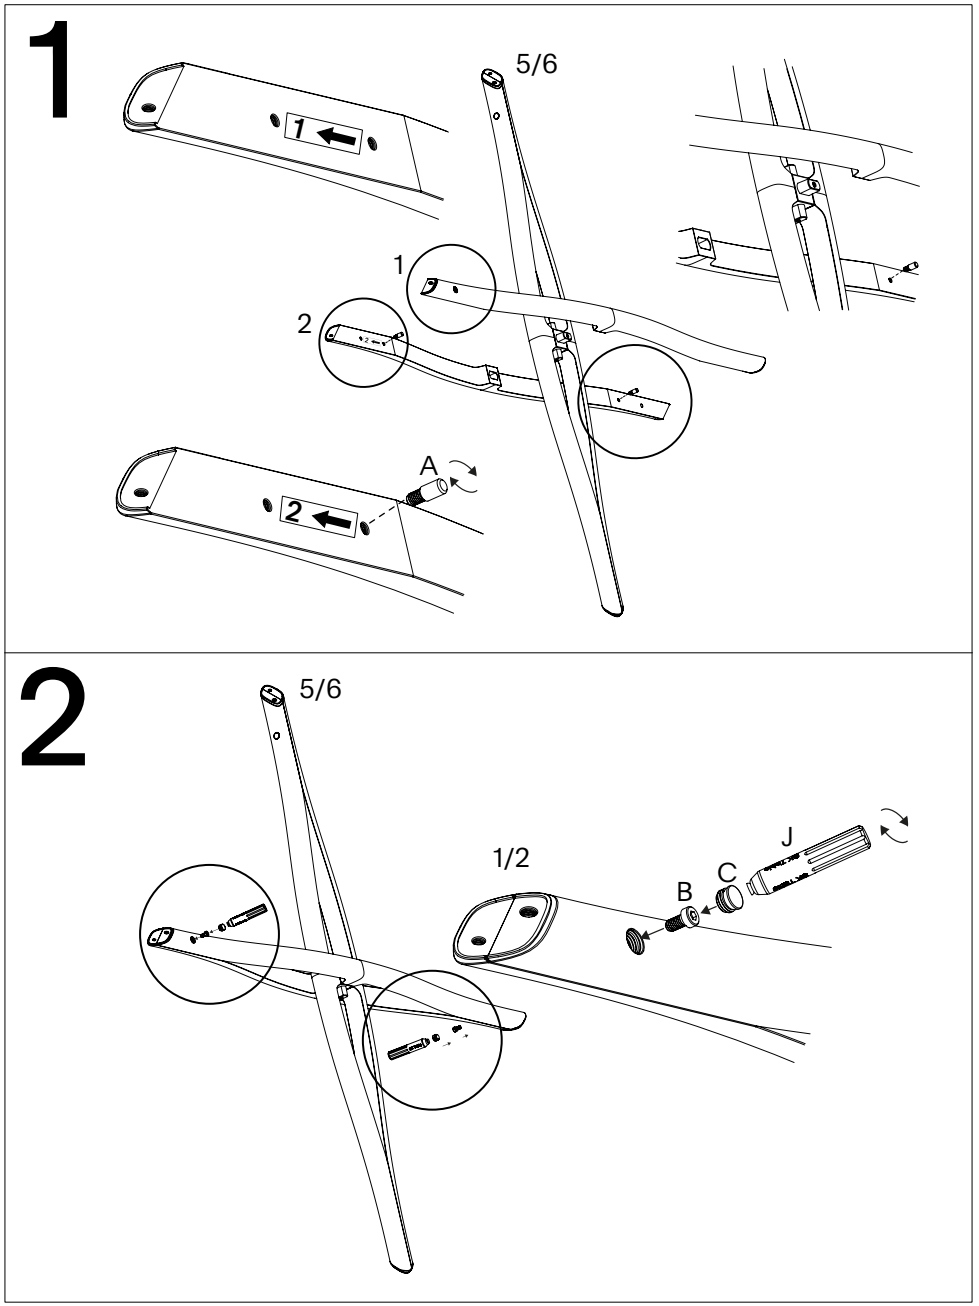

Round table base

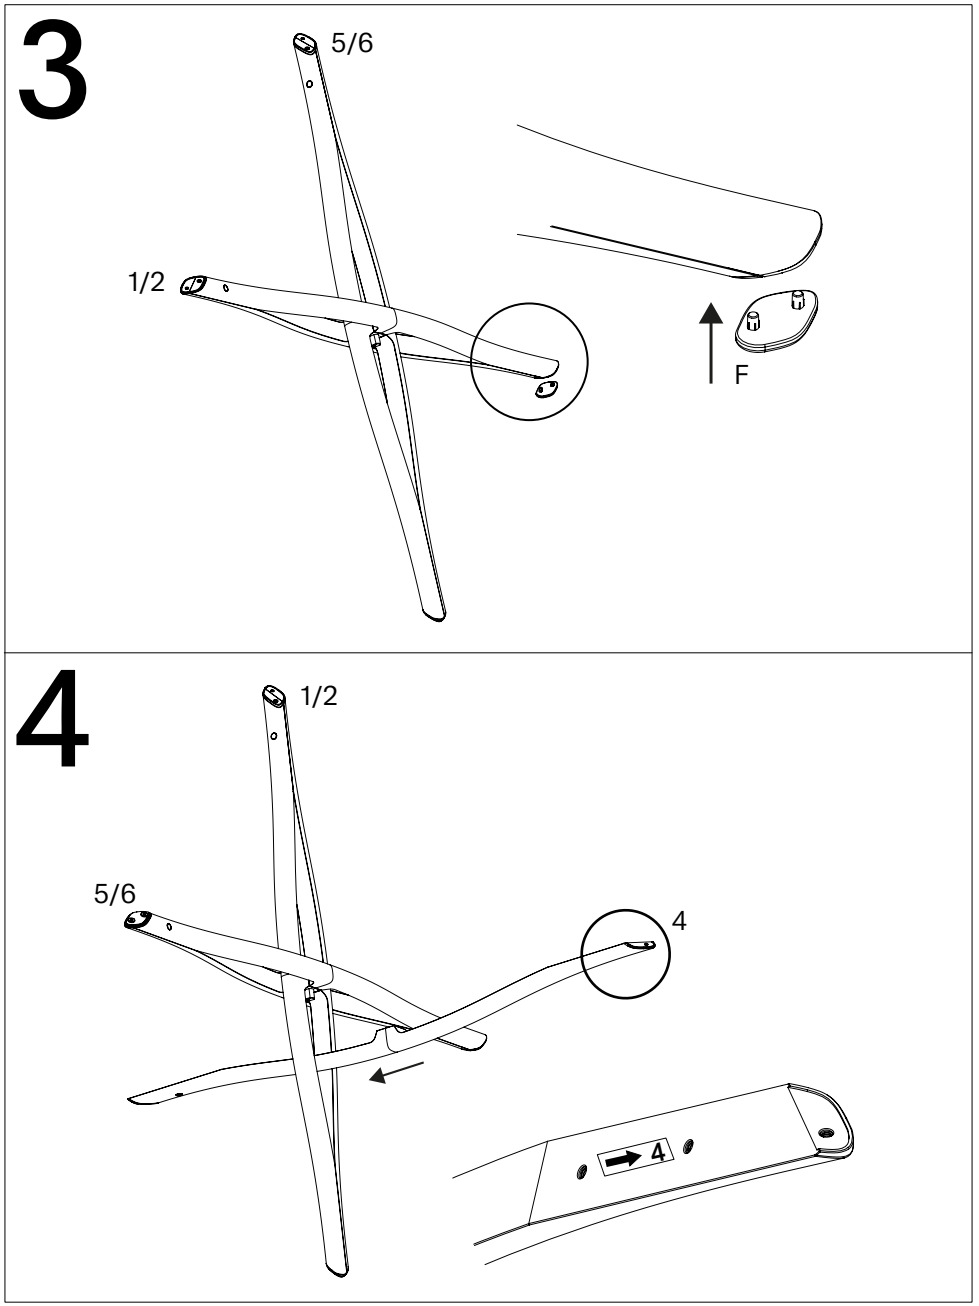

ATTENZIONE: Non rimuovere gli adesivi. Montare le gambe facendo combaciare numero e freccia con quelli corrispondenti sul giunto.
WARNING: Do not remove the labels. Fit the legs by matching the number and arrow with the corresponding markings on the connector.
ATTENTION : Ne retirez pas les étiquettes. Montez les pieds en faisant correspondre le numéro et la flèche avec les marquages correspondants sur le connecteur.
ACHTUNG: Entfernen Sie die Aufkleber nicht. Montieren Sie die Beine, indem Sie Nummer und Pfeil an den entsprechenden Markierungen am Verbinder ausrichten.
ATENCIÓN: No retires los adhesivos. Monta las patas haciendo coincidir el número y la flecha con las marcas correspondientes del conector.

End of life / disassembly

For disassembly, follow the assembly instructions in reverse order.

Before disposal, disassemble all hardware and separate the materials as indicated below.

Unless otherwise specified, dispose of components as general waste. Composite or glued materials cannot be separated for recycling and must therefore be disposed of as general waste unless they can be separated into individual material types.

If equipped with lighting, disconnect and remove all electrical and lighting components before disposing of the remaining structure. Dispose of these components separately in accordance with the WEEE Directive (2012/19/EU).

Steel	40 FE
Wood	50
Fabric	60 69 TEX
Leather	General waste
Stone/ marble	General waste
Glass	70 GL
Electical components	WEEE/RAEE
Composite materials	90 98
Plastic	

Durability / maintenance

The product is designed to deliver reliable performance and functionality over time, provided it is used correctly and properly maintained.

Product durability may vary depending on frequency and conditions of use, environmental factors, and exposure to moisture, heat, or direct sunlight.

To preserve its original qualities over time, please follow the usage, cleaning, and maintenance guidelines available on our website.

For assistance or spare parts, please contact your retailer directly.

For cleaning and maintenance, please see the information on the website www.mdfitalia.it
